EVENING TIMES.

CAIRO, THURSDAY, SEPT. 14, 1865.

THE CITY.

OUR CIRCULATION.

The Cairo Evening TIMES has a larger circulation in this city and county than any other paper published. By virtue of its circulation in the city, and in accordance with the law of Congress requiring the "Letter List" to be published in the paper having the largest circulation within the range of the local Postoffice the Times has been awarded the printing of the Post-office Department as the following communication will evi-

dence:

Post Office, Cairo, July 10, 1865.

To II. L. Goodall, Esq., Editor and Publisher of the "Cairo Ecening Times."

Sia,—Your paper has again been selected in which to publish the "Letter List" of this office, on the ground of its having a larger circulation than any other paper within the delivery of the Cairo Post office. You are authorized to continue the publication of said Letter List as heretofore, on the terms and conditions as specified in the Post Office law and instructions.

Respectfully,

Respectfully, J. C. SLOO, Postmaster.

LOTS FOR SALE. -Three desirable lots on Washington Avenue are offered for sale in today's TIMES.

RETURNED .- Mr. Bailey, proprietor of the Atheneum, has returned from Chicago, looking first rate.

To-Morrow will appear another of Mose Harrell's Chapters on "Cairo as it Was." Like its predecessors, it will be spicy, entertaining and instructive.

WHARP-BOAT-A temporary wharf-boat was, to-day, towed down to Columbus by Halliday. Latimer & Co., to be used by them until the new one is completed.

"GONE FROM OUR GAZE." - Our friend Hawes, of the firm of Hawes & Brockway, the popular Insurance Agents, has gone North on a short trip. Oh, where now is "Johnny Shmoker?"

FINISHED. - The monitor Manyunk, opposite our city, now presents a fininished appearance. Her turret and smoke stack are painted,scaffolding and everything not pertaining to her removed.

ACCIDENT .- Mr. Harris, of the firm of Fox, Howard & Co., sprained his leg yesterday in jumping off his locomotive. He says had he not stopped so very sudderly he would not have hurt himseif. He is getting strong on his pins TO OUR OLD CUSTOMERS AND THE PUBLIC.

WHEREABOUTS.-The City Treasurer's office is now in the new Court House. We have not seen Mose's new sanctum, but feel satisfied it is fixed up in style, comparing well with the ideas of an ex-editor-they all being gentlemen

WEATHER -The weather still continues quite warm and sultry. The showers which almost daily visit us seems but to intensify the density of the atmosphere, and wet shirts and wilted shirt-collars is the rule with gentlemen-what it is with women "deponent sayeth not."

Norway. - We publish to-day the last of the series of Norway letters, which have been read with interest and profit by our readers. The authoress is now in Sweden, from whence we expect to receive the next letter for pub-

of the Secretary of the Chamber of Commerce to the Manifesto of Boilnger, Homans & Co., published in Tuesday's TIMES. The fight has already become interesting and promises to become more so. Go it.

FORTY-NINTH ILLINOIS. - This crack regiment which has been doing post duty at Paducah, Ky., the past eight months, passed through the city to-day for home. It numbers 526 men and has been under the command of Lt. Col. Moore.

JOHN G. SAXE. - The Cairo Library Association, have made arrangements with the humorour poet and lecturer, John G. Saxe, to deliver one of his poems and lectures in this city. He is expected here early in the month of October. We are pleased to see the Committee are so early and efficiently at work.

Ball. - There will be a social Ball to-night at the City Ball Alley, corner of 18th street and Commercial avenue. The ball is given by W. F. Schoefer, floor manager Louis Wright. Arrangements have been made to render it a recherche affair. None but respectable gentlemen and ladies admitted.

RESULT.-The following is the result of the sale of Government property, made at Mound City on Monday last, through Sol. A Silver,

M. & O. R. R .- Trains on this road leave Columbus, Ky., for Mobile, Ala., every Sunday, Tuesday, Thursday and Saturday and arrive at Columbus every alternate day. The time now consumed in making the trip is 48 intervene before the running time will be reduced to one half.

W. C. Greene has been appointed general news and transportation agent on the route, and will also act as agent for the TIMES, and his receipt for advertising, job work or subscriptions will be duly recognized as official and authoritative at this office.

THE COUNTY SEAT QUESTION OF PULASKI COUNTY.-The Circuit Court in Pulaski county, was, at last accounts, still in a tangled condi tion on the above indicated question. Judge Mulkey and Wheeler, in behalf of Mound City, filed a Memurrer to the Caledonia injunction, which, after a labored argument by Col. Dougherty, on the part of Caledonia, and Messrs. Mulkey and Wheeler for Mound City, was overruled. At last advices--yesterday noon-the injunction of Mound Cityites was not dissolved, but was to have been argued yesterday afternoon.

ATHENEUM.-Last night a good paying house greeted Miss Williams and Vincent. The plays passed off very creditably, though we confess we never could admire the drama "Wept-ofthe-Wish-ton-Wish. The dancing of Miss Lewis was a big card, and was loudly encored. To-night the beautiful drama of "Asmodeus" will be presented, with Miss Williams, Vincent, Marcellus, Lizzie Maddern, and Miss Lewis in the cast, to be followed by a dance Louis Agency, No. 85 N. Fourth by Miss Lewis, ballad by Mr. Parsons, and street, than anywhere else in Ameconclude with the laughable farce of "An Ob. rica. Send for price list. Agents ject of Interest," with Miss Williams, Vincent, Marcellus, Nellie Lewis, and Mollie Howe. Surely a good bill.

PROSPECTUS

CAIRO EVENING TIMES.

The suiscriber having recently made extensive addi tions to the mechanical department of his office, added Steam Power and several Steam Presses, increased his editorial force, and enlarged the dimensions of his journal, rendering his office the most complete, and his paper one of the largest in Southern Illinois, deems this a farorable opportunity of presenting his claims to the business and reading community for patronage.

The Times will not be the organ of party or of party eaders, but the reflex of the opinions entertained by its proprietor. Its tone will always be harmonious with the best interests of the country, and will co-operate, politially, with the Administration of ANDREW JOHNSON, so far as the action of such Administration comports with ts past indications.

In this connection we might add, that we recognize the doctrine of State Sovereignty so far as such Sovereignty does not conflict with National Sovereignty or the Consti tution of the United States.

We pride ourself upon being an American citizenlook with pride upon the Flag of our Nationality, which, in perllous times we enlisted to defend-are unreservedly n favor of the perpetuity of the Government and unity of the several States-firmly believe in a Republican form of Government and Democratic Institutions-look upon our country as our Mother and every patriot as a brother, and will shake hands with any and all who, regardless of party have an eye single to the perpetuity and honor of the Union—and favor a speedy reconstruction upon an nonorable and lasting basis.

But the speciality of the Times will be the advancement of the business and commercial interests of Cairo and Alexander county, the building of proper roads leading from our city to the country, such as will enable the farmers of Alexander and Pulaski counties to ap proach our confines and fill our streets with their wagons, and our stores, dwellings and hotels with their products: to cause to be built railroads running from this city to St. Louis and Vincennes, and the construction of a net-

work of roads such as the requirements of our people and necessities of commerce unreservedly demand. A special eye will be kept upon all matters of local in terest and improvement—notice made of every building erected, every store established, every manufactory built, &c., and every effort put forth to advance the Commer cial and Agricultural interests of Cairo, Southern Illinois,

and of the State at large. With this brief, but compresensive statement of our intent and purpose, we submit our claim to a discriminatng public.

TERMS OF EVENING TIMES.

TERMS OF WEEKLY TIMES. Postmasters are respectfully solicited to canvass for the Weekly and Daily editions of our paper. To enable them to do so, sample copies will be forwarded them. H. L. GOODALL.

SPECIAL NOTICES.

Certain parties who have recently engaged in the Ice business in Cairo, are representing themselves as furnishing ice at lower rates than we can do. We wish all concerned to understand that we can and will sell at as low a price as any others, be they who they may. We have been steadily engaged in the business in Cairo for the last seven years, keeping a supply on hand winter and summer. Our business is here, and whatever of capital we possess is invested here, and here we intend to stay. We are no birds of passage—and no transient concern that then leave for their own homes to enjoy the money made from the citizens of Cairo shall under-sell us. And we respectfully solicit the continued patronage we have hitherto had, and which we have endeavored to deserve by unremitting attention to the wants of our customers night and day, at as low rates as a reasonable profit would allow, when the business was in our hands and without competition.

Families and Saloons supplied at their own doors as Steamboats at all hours, night and day.

The Cairo, Ontario and Yorktown had good trips.

The Transfer was light. She will probably be retained Memphis as "Post Boat." The Palestine had 54 coops fowls, 246 bales hay, 6 obls kraut, 87 pieces bagging, 158 colls rope and a variety of other freight in small lots for reshipment to

The Ajax had e'even empty barges in tow. The Kilgour has about all the freight she wants and is only waiting for passengers.

The Minneola had nearly 900 bales cotton for

The Arthur discharged here 15 packages for Fullinvider & Co., 126 packages for Adams Express Company and 3 hhds cocoa nuts for Louisville. She has for St. Louis 4 bales cotton, 12 bales moss, 68 empty barrels, several small lots assorted freight, and 250 cabin passengers. Besides this she brought up the 11th Wisconsin Infantry-550 men and 28 officers, commanded by Coi C. L. Harris, and the 72d Ohio infantry-187 men, 15 officers, in charge of Lt. Col. C. G. Eaton. The Commercial picked up a snag in White river, 65 miles above Duval's Bluff, last Friday night, which tore away part of her cabin guards, and the outer bulkhead

Only 30 inches is reported in Arkansas river to Little Rock, and the St. Cloud is laid up above Pine Bluff unable to come out on account of the scarcity of water. FOR EASTPORT AND FLORENCE.-The regular and punc tual Cairo and Tennessee River Packet, Jonas Powell, Capt. Lee, will leave for Johnsonville, Eastport and Florence this evening at 6 o'clock. This punctual steamer is of light-draught, fine accommodations and well of ficered. Passengers for Nashville will find it to their interest to take the Powell to Johnsonville and thence per

The Mississippi is rising all the way down from St Paul to Cairo, and the tributaries on both sides are also falling. More heavy rains have fallen throughout the North extending from the Allegheny to the Rocky mountains, apparently. The Ohlo is rising at Pittsburg with ten feet in the

channel, and is also rising all the way down. which is 275 miles above Nushville. At Nashville it had rose two feet on Tuesday last, and still swelling. Here the river rose twelve inches between 6 o'cloc aft evening and 7 o'c'ock this morning, and seems to be

coming up even more rapidly to-day. The weather is again clear, and the fervid rays of a midsummer's sun, (albeit the mid-September's should be here,) are puring down upon us. Although the long continued warm weather is rather burdensome to many yet it is certainly a great luxury to thousands of poor nfortunates who having lost everything during the war even their natural protectors, are unable to buy wood or clothing to keep out cold. The longer the warm weather continues, the better will be the chances for their being prepared for winter. Business has revived a little during the past two days
